National Convention Centre Canberra
ACTSPORT would like to welcome you to the 2009 Sportsmans Warehouse Sportstar of the Year Awards Gala Dinner and Industry celebrations. These awards provide an opportunity to showcase the excellence in sporting achievement from the ACT in areas of individual and team performance, coaching and sports administration.

This year has seen many high points in the sports industry, with the monthly winners coming from 32 different sports.

Special thanks must go to our Judging Panel who has dedicated themselves to the Sportsmans Warehouse Sportstar of the Year Program throughout the year. This has seen them donating their time for the often difficult task of selecting monthly winners and then the even more challenging task of selecting the overall winners from this impressive and extremely talented group.

We trust that you will enjoy the evening as we recognise the best that the ACT sporting community has to offer.
ACTSPORT would like to extend a special thankyou to the following people whose contributions have helped make this year’s Sportstar Awards a success

Nominations are made, and awards presented, based on the students’ active participation in school physical education programs and the preparation of a piece of work, literary or artistic, depicting an appreciation of the Olympic Games. Nominations are open to all secondary schools in the ACT, with each asked to nominate one student from years 10, 11 or 12.
